

Sealed bid #31

(Bid deadline is January 28th at 4:30 PM)

(All work must be completed by March 31th)

Electrical Work

- Remove all existing lights and install new LED area lighting at the main secondary road shop in Marengo. Located at: 489 east Miller in Marengo, IA.
- Please contact Scot Wetjen for a location visit. (319-981-6516)
- Describe in detail on your sealed bid the number of lights and lumens per fixture that you would be using. Along with any location details that you may have.
- All work must be completed in conduit or metal covered cable in order to meet all fire safety guidelines.

(Note: Please drop off, or mail sealed bids to the Iowa County Auditor's office located at 970 Court Avenue in Marengo. Please mark on the envelope "Sealed bid #31").

Sealed bid #32

(Bid deadline is January 28th at 4:30 PM)

(All work must be completed by April 30th)

Electrical Work

(Located at: 900 Hatter Avenue in Parnell)

- Remove all 14 existing lights fixtures.
- Replace with 14 new LED hi bay light fixtures.
- Add one new row of 7 LED hi bay light fixtures to the east side of the building. Total new fixtures installed will then be 21.
- Add one single pole switch next to the existing switch for the 7 added new light fixtures.
- Please contact Scot Wetjen for a location visit. (319-981-6516)
- Describe in detail the lumens of each light fixture in your sealed bid that you would be using.
- All work must be completed in conduit or metal covered cable in order to meet all fire safety guidelines.

Note: Please drop off, or mail sealed bids to the Iowa County Auditor's office located at 970 Court Avenue in Marengo. Please mark on the envelope "sealed bid #32").
