SUBMISSION INSTRUCTIONS

Please check the following boxes to ensure your request form is complete. Upon completion, the form and requested documents can be submitted electronically or by mail using the contact information on page 1.

- I have included a Proof of Ownership document
- I have included the 5 Photographs requested on page 1
- I have signed the request form

By signing the request form, I have read and understand the following statements:

If the form is complete, the DNR will investigate the vehicle or vessel registration history, and review supporting documents to determine the current registration status of the vehicle or vessel you are trying to register. An investigation will take 4-6 weeks to complete, which may include but is not limited to notification of last registered owner. The DNR will then determine the steps you need to complete to get the vehicle or vessel registered and/or titled in your name.

After six weeks, one or more of the following action steps may be required as result of the investigation.

- You may be required to get an inspection done by a certified peace officer
- You may need to complete an affidavit form
- You may be required to purchase a surety bond to cover one and one half times the determined, current value of the vehicle or vessel. If this is needed, a bond form will be sent to you showing the current value of the vehicle or vessel and the amount of the bond needed. The bond form will include instructions for completion and return to the Iowa DNR. *Fees to obtain a surety bond through a bonding company are set by the surety company. Please refer to the bonding company for the fee to obtain your surety bond.*

You may receive an approval letter to obtain a title and registration through your county recorder’s office. You will use your approval letter in lieu of a signed title and/or registration by the seller to transfer your vehicle and vessel into your name.

I understand that the Iowa DNR has 6 weeks to perform an investigation on the vehicle and/or vessel I am trying to transfer into my name. I certify under penalty of perjury that the information submitted with this request and supporting items are true and accurate.
