

## PAGE COUNTY VETERANS AFFAIRS

### WE ARE LOOKING FOR YOU

**Volunteer Drivers are needed to provide rides to Veterans to their doctor appointments. This is open to any and all who want to consider volunteering, doesn't need to be a Veteran.**

**We service a 7 county area: including Page, Mills, Montgomery, Fremont and Taylor counties in Iowa. Atchison and Holt counties in Missouri. Vans run Monday thru Friday from 7:00 to 4:30pm. Rides are provided to the Veteran, to scheduled doctor appointments at VA Clinics and outsource services. Most appointments are to VA in Omaha, VA in Bellevue and the CBOC in Shenandoah. We have 2 vans that run almost every day of the week all month long.**

**You will be required to fill out an application and then pass a physical given by the VA Omaha. Transportation will be provided to this appointment by Page County Veterans Affairs. No cost will be incurred to you for either the physical or transportation. The application process can take a while to be approved and physical scheduled so don't get discouraged.**

**Volunteers are needed even if you are only able to help provide a ride once or twice a month. We have many Veterans for whom this is their only way to get to these appointments.**

**Please pick up an application at the Page County Veterans Affairs office.**

**The address is: 615 Northwest Road, Shenandoah, Iowa or call 712-246-4254 and request an application be mailed to you.**
