

Homemaker- Part Time Position

Henry County Public Health is accepting applications for the position of Homemaker. Deadline for submission is end of business August 28th, 2022. The homemaker is a trained paraprofessional who performs home management and personal care services in the home when the client or family cannot meet these responsibilities. The homemaker works under the direction/supervision of a Registered Nurse to provide a supplementary service in carrying out a specific plan. This position is a part-time day position no weekends or holidays.

Qualifications: High School or general equivalency and certification from a recognized Certified Nurse Assistant program, degree in medical assisting, nursing or other related field, or Direct Care Provider Training. Must be flexible, able to work independently and as a team, have good communication skills and enjoy taking care of others.

Applications are on the website at henrycounty.iowa.gov/job/

For questions, please call Shelley Van Dorin at 319-385-0779.

A pre-employment physical and drug screen is required. Henry County is an equal opportunity employer.
