City State Zip Code

COUNTY BOARD OF SUPERVISORS

Gentlemen: --

Approval is hereby requested of overhead construction of

(Describe fully work contemplated)

**Map of proposed overhead construction showing location
shall be attached to each copy of the application.**

The proposed line will be located _____ miles _____ from _____
(Direction) (Place, town, etc.)
more specifically described as follows: _____

AGREEMENTS: The applicant agrees that the following stipulations shall govern this permit.

1. Fees: \$100 minimum to \$1,000 maximum payable to Henry County Treasurer. Waived at County's discretion.
2. The applicant will at any time subsequent to placing the pole line on County right-of-way, and at his own expense, reconstruct his lines as may become necessary to conform to new grades, alignment or widening right-of-way, resulting from maintenance or construction operations by the County. The applicant agrees to do this promptly on order by the County, and without cost to the County. If the applicant is unable to comply promptly, the County may cause the work to be done, and the applicant will pay the cost thereof upon receipt of statement.

The County will endeavor to give the applicant sufficient notice of any proposed construction or maintenance work, on either existing or newly acquired right-of-way, that is likely to disturb pole lines belonging to the applicant, in order that the applicant may arrange to protect his lines. The County will inform contractors, and others working on the job, of the location of the lines so that reasonable care may be taken to avoid damaging the lines. The County assumes no responsibility however, for failure to give such notice.

3. The County assumes no responsibility for damages to the applicant's property occasioned by any construction or maintenance operations on said highway, including new or additional right-of-way acquired in connection therewith, subsequent to the building of the said line.
4. The applicant shall take all reasonable precaution during the construction of said pole line to protect and safeguard the lives and property of the traveling public and adjacent property owners and shall save the County harmless of any damage or losses that may be sustained by the traveling public or adjacent property owners of such construction operations.
5. Operations in the construction and maintenance of pole line shall be carried on in such a way as to not interfere with, or interrupt traffic on said highway.
6. The applicant shall hold the County harmless from any damage that may result to said highway because of the construction or maintenance of said line, and shall reimburse the County for any expenditure that the County may have to make on said highway on account of said applicant's line having been constructed thereon.
7. The applicant agrees to give the County forty-eight hours' notice of its intention to start construction on the highway right-of-way.
8. All work shall be done in a workmanlike manner, and the ground left in a neat condition, satisfactory to the County Engineer in charge.
