

## **DNR Grants to Counties Well Program**

**Please call ahead for verification of funds available before reconstruction or plugging.**

Grant funds providing cost-share to Cedar County residents are available for well reconstruction and abandoned well plugging.

### **Well Reconstruction**

- Grant will pay eligible reconstruction cost up to \$1,000 maximum
- Funds will be granted upon pre-approval by the Cedar County Environmental Health Office
- Proper well assessment may need to be made by both the driller and Cedar County Environmental Health

### **Abandoned Well Plugging**

- Grant will pay eligible plugging cost up to \$500 maximum
- Well must be plugged in accordance with the Cedar County and State Codes

### **Water Tests**

- Water tests are available to rural home owners and tenants
- Tests are offered once per year at no charge with grant fund availability
- Contact Cedar County Environmental Health at (563) 886-2248 to schedule your water test

For further information, please contact Cedar County Environmental Health at (563) 886-2248.
