

## **New 911 Address Sign (Rural)**

Every person erecting a principal building on a parcel shall request an address number from the Monroe County 911 Coordinator. The Monroe County 911 Board will direct a designee to install the 911 sign except in private developments or subdivisions. The person requesting the address shall allow the 911 Board or its designee to place the 911 sign in the appropriate location.

An approved driveway access is required before 9-1-1 will assign an address. The cost for address/installation of a rural address sign is **\$60.00**. If you have any questions, please contact the 9-1-1 Coordinator.

If you build, please remember to contact Monroe County Zoning and Monroe County Sanitation Department to make sure you are in compliance to the rules and regulations of Monroe County.
