Page County Auditor and Commissioner of Elections

RE: Senate File 413

Melissa Wellhausen, Page County Auditor, and staff are committed to making sure that every eligible voter in Page County has the opportunity to vote and that their vote counts.

Senate File 413 has been signed by the Governor and is now in effect. The following changes will be in effect for future elections:

- Pre-registration deadline is 5:00 pm fifteen days before each election, after that Election Day Registration rules apply.
- To request an absentee ballot request form, a voter must contact their County Auditor's Office and request a form. Requests may be returned to the County Auditor's Office no earlier than seventy days prior to the date of election.
- Absentee ballots can be mailed out starting twenty days prior to the date of election, and cannot be mailed out after fifteen days prior to the date of the election.
- Voters may vote absentee in the County Auditor's Office starting twenty days prior to the date of election and continue until 5:00 pm the day prior to the date of election.
- A voted absentee ballot may be returned to the Commissioner's Office by mail, an authorized drop box, or in person.
- No person other than the registered voter or an individual who lives in the same household as the registered voter, the registered voter's immediate family member, or an individual serving as a caretaker for the registered voter may return a voted absentee ballot to the County Auditor's Office.
- Absentee ballots must be received by the County Auditor's Office before the polls close on election day.
- Polls will close at 8:00 pm for all elections.

Auditor Wellhausen hopes this will help ease voters' concerns, as we are committed to making sure that every eligible voter in Page County has the opportunity to vote and that their vote counts.

Thank you for your continued participation in elections.
