Explanation of increases in the budget:

Proposed Percentage Change is due to increase in taxable valuations. The levy rates for the General, General Supplemental, and Rural Funds will remain the same as the prior year. Expenditures include expected increases in operation and maintenance costs and cost of living adjustments.

If applicable, the above notice is also available online at:

The above tax rates do not include county voted levies, mental health and disabilities services levy, debt service levy and the rates of other local jurisdictions. Regarding proposed maximum dollars, the Board of Supervisors cannot adopt a higher tax asking for these levies following the public hearing. Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming year.
