Resolution Date 06/21/2021

HOWARD COUNTY, IOWA
BRIDGE POSTING MAP

The data on this map is updated periodically and may be outdated. No warranty for accuracy or completeness is expressed or implied by Howard County or it's employees. The Howard County Engineering Department and it's employees assume no liability or responsibility for damages resulting from the use of this data. The status of a bridge may change before data on the map is updated. It is the user's responsibility to adhere to all posted weight limits and traffic control devices. All overweight vehicles require a permit and route approval from the Howard County Engineering Department per Iowa Code.
