

Beginning 8/23/2021 Jefferson Road (D5X) will be under construction, affecting one entrance to Baileys Ford Park. Sections of the road will be closed due to the resurfacing project; however, the plan is to try to keep access to the park from either the north or from the south depending on construction. Baileys Ford Park will remain open during construction.

Please check the Delaware County Conservation Facebook page (<https://www.facebook.com/delawarecountyconservation>), the Delaware County website (<https://delawarecounty.iowa.gov/conservation/>) or call the Conservation Office (563-927-3410) to stay up to date on the access status to the park. There is also a Jefferson Road Project Facebook group (<https://www.facebook.com/groups/925865404964701>) that will be updated throughout the project with important construction and access statuses. This is a public group for anyone to join.
